

Call For Presentations

POP Conference | April 14–16, 2026

Do you have a payment integrity case study or best practice to share? Can payment integrity leaders learn from your experiences or your expertise?

If so, submit a presentation idea to lead an educational session at POP Conference 2026!

We're looking for:

- **Behind-the-scenes stories.** Your how-to-build-it (or how not to) program and strategy lessons learned elevate us all to the next level.
- **Payment integrity professionals at all career stages.** We can learn from your years of experience or your fresh perspective.
- **Experienced and non-experienced speakers.** Bring your well-tuned presentation skills, or work with POP Conference staff to sharpen your presentation style.
- **Diversity of perspectives.** We want to hear from analysts, people and program leaders, executives, and others from different lines of business, geographic areas, and plan sizes.

Proposal Guidelines

Submissions from the health plan perspective will be prioritized. Proposals solely promoting company products or services will not be considered. However, proposals from thought leaders – including vendors – that showcase unique industry perspectives or innovative technologies to improve payment integrity will be evaluated for program fit.

Hotel accommodations will be covered for selected speakers. Sessions will be presented live in Nashville, Tennessee, April 15–16 2026.

Proposal deadline is August 22, 2025. Proposals selected for inclusion in the program will be notified by September 30, 2025.

Session Details

Session Title

This will be used for printing in the final program. **(Max 80 characters)**

Session Description

This year's theme is "Where Payment Integrity stars can shine!" Your description should include how the topic impacts the elevation of the role of PI in the health plan and/or industry.

(Max 500 characters)
