

POP Conference 2026

Subject line: Here's why I can't miss POP Conference 2026

Hi {Insert Name}

I would like to attend the Power of Payment Integrity Conference, on April 14 - 16, 2026, in Nashville, Tennessee. Attending in person will enable me to attend a variety of educational sessions and give me access to a network of leading industry professionals and other payment integrity leaders.

POP Conference is the industry's **only peer-led event** for payers and payment integrity leaders. It offers over 25 educational sessions specifically designed for payment integrity, program building, professional development, and enrichment. The wide range of topics covered include:

- **Where our peers are successfully reducing PI administrative costs**
- **What trends stand to impact our strategy such as new practical use cases of AI**
- **How to accelerate insourcing – particularly in prepay**

All of these sessions will help our team stay ahead of a challenging and fluctuating environment. The ideas, best practices, and contacts I will gain from this conference will save time and money while prioritizing our payment integrity program needs.

With the current economic conditions, I understand we must be very conscientious of where we spend money. Here's an approximate breakdown of conference costs per individual, and I would like to **seek approval for 2 individuals to attend:**

- Airfare = \$500
- Hotel \$329 per night X 2 nights = \$725 (incl. fees)
- Transportation and airport parking (no car rental needed) = \$175
- Food outside of conference = \$100
- Registration Fee = \$0 with commitment to attend (while spots last)
- Nightly networking receptions and conference events = All included

TOTAL: \$1500 each = \$3,000 for 2 attendees

If given the chance to attend along with one additional team member, I'm confident this investment will be worthwhile to our organization both through immediate new savings and longer-term program improvements. I will be committed to sharing the resulting knowledge and resources with the team and delivering an executive summary back to you on the conference and ROI.

Thank you for considering this request. I look forward to your reply.

Sincerely,
